**\*\*Kura:** Well, I'm officially back on the train for HTTYDxROTG. With HTTYD2 coming, give me a moment...**\*yells loudly\*** I'm good. I'm among those who are trying to get HTTYD back to the #1 spot on the ROTG crossover category. Anyone who wishes to help, PM me! Enjoy the poem!**\*\***

\_Oath.\_

\_What is it exactly?\_

\_It's a promise of sorts.\_

\_A promise sworn on the heart.\_

\_Oath.\_

\_A pact made by many.\_

\_A promise from one,\_

\_to another.\_

\_Oath. \_

\_An unbroken bond.\_

\_A power that can never truly be broken.\_

\_They made the oath.\_  
\_Though,\_  
\_they were uncertain.\_  
\_All they knew,\_  
\_was that they weren't wanted.\_  
\_So,\_  
\_when they took the oath,\_  
\_they knew they really did matter to others.\_  
\_They really did mean something more than,\_  
\_'The Dragon Conqueror.'\_  
\_and\_  
\_'The Irresponcible Winter Spirit.'\_  
\_They are Change and Fun.\_  
\_Autumn and Winter.\_  
\_This is their oath.\_  
\_This is their promise.\_  
\_The question is,\_  
\_are you willing to give your oath to them?\_  
\_They gave their oath to you...\_

**\*\*Sakura: Review! \*\***

**\*\*Kura: Okay, so the basic idea behind this poem is that Jack and Hiccup are taking an oath. For what? Idunno, whatever you think it is. In the end, the oath takes a turn towards us. Asking us if we'd give our oath to the duo just like they gave their oath to us. I guess you can kinda relate this to Cher Lloyd's and Becky G.'s "Oath." But I wasn't trying to make this a song based poem. But if you see that way...then okay.\*\***
